MARIONVILLE APPLEFEST
BOOTH GUIDELINES AND REGULATIONS
SEPTEMBER 21st AND 22nd, 2018

All craft vendors must participate in the jurying process to be considered for a booth space at Applefest.

All vendors seeking a booth in Applefest must submit the attached application together with a picture of their product (food or ware), a self-addressed stamped envelope, and the booth rental fee. Booths for nonfood are 45.00 or 55.00 if you require electric and $65 for food. Spaces are 10'x10'. Booth rental fee is not refundable in the event that a vendor's merchandise is excluded or rejected from Applefest after the festival has begun due to misrepresentation of the craft by the vendor or because the craft does not meet the guidelines.

Those wishing to retain the same booth space or spaces they had at the prior year's festival, must submit their renewal fee by 5:00pm Saturday. There is no guarantee of the prior year location, due to early bird registrations received at the 2017 festival.

Marionville Applefest is a two-day festival and in order to attract good crowds, we are asking that vendors have their booths ready to open by 12:00pm Friday and 9:00am Saturday. Booths must remain open until 7:00pm. The festival lasts until 11:00pm both Friday and Saturday, so booths may remain open until then. **PLEASE NOTE**: for the safety and well fare of others, anyone tearing down before 7:00 pm may not be permitted to participate in the following years festival.

No vendor will be permitted to exceed their assigned 10'x10' space. If a vendor uses anything that exceeds the allowed 10'x10' space, the vendor must rent an additional booth space. No vendor may block any sidewalk or designated walkway.

No campers, trailers, cars, bicycles, or other vehicles will be allowed on the square or any designated festival areas during hours of operation. All vehicles must be off the square and all designated festival areas by 11:00am on Friday and 8:00am on Saturday.

Booths are to be set up any time after 5:00pm on Thursday and be done by 11:00 am Friday. Take down of booths can be after 7:00pm Saturday and anytime Sunday.
